Jinko Solar

Jinko Solar warrants that the product is free from material defects in workmanship and materials under normal use and conditions. Jinko Solar does not warrant the product against damage caused by fire, theft, flood, lightning, hail, vandalism, tampering, accidental breakage, or other events beyond Jinko Solar's control, resulting in material damage to the product installed on mobile platforms (other than single or dual-axis trackers) or in a marine environment, or damage caused by direct contact with corrosive agents or salt water, pest damage, or malfunctioning BMS system components or (g) used in a manner inconsistent with the version of Jinko Solar Installation Manual available at www.jinkosolar.com on the date the product is manufactured. Our warranties shall not apply to any product where the labels thereon indicating type or serial number have been altered, removed or made illegible. Our warranty shall not apply to products where the original and final payment has not been received by Jinko Solar.
